

Bringing together child care professionals across the state to build resilience experienced throughout the pandemic.

Building Resiliency in Child Care Providers using a Trauma-Informed Care Approach.

This training will provide an overview of the Kentucky Strengthening Families Initiative Six Guiding Premises and Six Protective Factors. Providers will learn the basic principles of trauma-informed care and resiliency, as well as gain an understanding on the importance of incorporating these principles in their daily lives. Providers will be able to identify strategies in order to help build resilience with parents/caregivers and children.
